REFERENCE: YEAR-END REPORT (07/01/2021 - 12/31/2021)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 item(s):

1. Your report discloses in-kind activity which appears to be reported incorrectly. Please be advised that in-kind contributions should be disclosed as receipts on Schedule A and reflected on the appropriate line of the Detailed Summary Page. In addition, the value of the in-kind contributions must be added to the operating expenditures total on Line 21(b), in order to avoid inflating the cash-on-hand amount. Please amend your report to properly disclose the in-kind activity. (11 CFR §104.13(a)(2))

2. Please identify the name and address of the payee for the in-kind contribution(s) disclosed on Schedule B for Line 29. (11 CFR §104.3 (b)(3))

- You have failed to disclose the adequate name of your committee on your report. Commission Regulations require that reports contain an adequate name and address for each committee. Please amend your report, Line 1, to disclose the full name and official mailing address of your committee. (11 CFR 104.2(e) (3)) For further guidance on completing the Report of Receipts and Disbursements (Form 3X), please refer to the instructions: <http://www.fec.gov/pdf/forms/fecfrm3xi.pdf>.

- Your report discloses an in kind contribution(s) made on behalf of a non-federal candidate(s). The original payments for the goods and services have been itemized as operating expenditures and included in the total for Line 29 of the

Detailed Summary Page. In addition, the attribution to each federal candidate has been noted as a memo entry on supporting Schedule B for Line 29 (Contributions to Federal Candidates and Other Political Committees).

For your information and consideration when preparing future filings, please be advised that the amount of such activity should be disclosed on Line 29 of the Detailed Summary Page so that the total amount of contributions to non-federal candidates (including in-kind contributions) are properly included on Line 29 of the Detailed Summary Page. (11 CFR §104.3 (b)(1)) For future filings, please refer to the Campaign Guide.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
